

SUBSTANCE OF INTERVIEW

In response to the Interview Summary issued by the Examiner on November 23, 2005, subsequent to the telephone interview of October 5, 2005 with the Applicant's attorney John Campa, Reg No. 49,014, and in compliance with the requirements of MPEP §713.04 and 37 CFR §1.133(b), the Applicant hereby submits a Substance of Interview.

During the course of the interview, claim 1 and like independent claims were discussed in view of Bonnell et al. (US Patent Number 5,655,081) and Reed et al. (US Patent Number 5,862,325). The applicant has provided the explanation as to how the amended claims entered with the RCE distinguish over Bonnell and Reed, specifically discussing the present invention's more interactive traversal of an access point. The Examiner reminded the applicant that further search would be conducted in order to determine patentability of the claims.

Agreement with respect to the claims and the prior art discussed during the interview was not reached.

The Applicant wishes to, again, thank the Examiner for the courtesy and cooperation extended towards the Applicant's attorney(s) during the prosecution of the present application.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee that is not covered by an enclosed check please charge any deficiency to Deposit Account No. 50-0463.

Respectfully submitted,

Microsoft Corporation
